

American Legion Auxiliary,

Thank you so much for  
Sponsoring me to come to girls  
State. It was a huge honor to  
be ~~chosen~~ chosen out of 300 girls  
across the great State of Florida to  
attend this magnificent program of  
government learning. I appreciate  
all you do for us, I know it's  
not easy. Well thank again! I've  
learned so much and have made  
so many friends that are life long.  
It's a great group of girls and  
it was fun meeting a variety.

Sincerely,

Jamie  
Haught
